**"I recommend it to those fans who were waiting for a new fantasy RPG". - GameDaily "An online RPG that evolves the genre with epic drama born from a myth". - Pocketgamer "THE NEW FANTASY ACTION RPG. Rise, Tarnished, and be guided by grace to brandish the power of the Elden Ring and become an Elden Lord in the Lands Between. " - VALGARD Chappell-Hill The Chappell-Hill (aka Chappells) are located on the Old Hill, St. Thomas in the U.S. Virgin Islands. History In 1769, Captain Thomas Greig and his cousin, Captain George C. Hill, were in charge of the first English survey of the island of St. Thomas. In 1772, a petition was presented to the British Colonial Parliament seeking a royal charter for the establishment of a colony called St. Croix. In the proposed colony, the main settlement would be St. Croix, and the capital of the colony would be known as St. Thomas. Around this time, two more Englishmen arrived on the island. One of them, of English extraction, was known as Hatchard, or Hatchard's brother, and the other, from Britain, was Francis Swerly. Both men had been on Fox and Hawkins' survey of the island in 1771-1772. Greig was a member of a well-established English family in the islands, and had moved to St. Thomas with his wife in 1772. He became one of the wealthiest**

**persons on the island and a large landowner. He named one of his two sons for himself, and the other after Francis Swerly. In 1777, Greig sold 5,888 acres in the north of the island to Swerly. Swerly's estate lay at the site of what is now known as Swerly Hall, while Greig's main plantation was situated in the present-day Chappell-Hill area. Greig took ownership of his son's estate, Chappell Hill. He also acquired 4,000 acres adjacent to Swerly's estate. The area he acquired is today known as the Northside of St. Thomas. The man who acquired Chappell Hill was Charles Chappell, a businessman and former sea captain. In the early 19**
